Address: 209 Ridge Road North

Zach Bury is playing at Brimstone Brewing Company for the first time and we are excited. What a great addition to the Fall Festival. Music starts at 12 pm. Admission is free and the drinks are cold.

Brought up around Classic Rock and Blues from an early age and inspired by music as long as he can remember, Zach Bury was born to set his soul free through music. Although he first started to write songs after hearing Hip Hop in a highschool art class, Zach found he felt his truest when unraveling emotions through strumming chords on his acoustic guitar. Later in life influenced greatly by 1960s-70s Folk acts such as Bob Dylan and Jim Croce alongside R&B/Soul singers such as Smokey Robinson and Marvin Gaye. Zach's sound should not be limited to one genre. All who have listened to Zach's songwriting and witnessed his energy on stage understand the appeal. His signature brand of footstompin' acoustic rhythm (inspired by the blues) paired with his vulnerable lyrics and soulful delivery have proven to get crowds engaged.
