Golden Feather with Sleepy Jean

Date and Time: Saturday, June 1 7:30 pm - 10:30 pm

Address: 209 Ridge Road North

Golden Feather and Sleepy Jean are coming back for a visit and we couldn't be happier. Please surrender your inhibitions and dance the night away.

We will offer mostly standing room for this show. Doors open at 7:30 pm, show starts at 8 pm.

Please email thesanctuaryarts@gmail.com for more info or any questions. Tickets are available on [ticketscene.ca](https://www.ticketscene.ca).

Golden Feather is a project that was started by Steve Kiely and Brad Germain, inspired by their love of bands that like to jam and take their listeners on a musical journey. The two have been close friends for years, but had just finally gotten to writing music together in the early part of 2019. What started out as a weekly hang for the two in Brad's basement recording demos, quickly turned into them having to find more like minded musicians to help them bring their musical ideas to life.

The group was set to play its first show in March 2020 when the global pandemic hit, suddenly ending all hopes of live performance. Brad and Steve, along with bassist Ronson and guitarist Chris Wheeler worked on the songs remotely and ended up recording their debut album entitled *Light On Water*, which was released in November 2020. Not long after the release of *Light On Water*, Gareth Inkster joined the group on keys to complete the original, definitive lineup.

Golden Feather has since released a follow up album "In Air", releasing each of the four songs as singles, once monthly for four consecutive months, in early 2022, followed by the EP "Now & Then" released on Sonic Uny

on Records in September of 2022.

Chris Wheeler and the band amicably parted ways in January of 2023, and not long after, part-time guest saxophonist Murray Heaton joined the band as a full-time member.

Seeing the band live is where you get to really see what they're all about. It's very much a two way transfer of energy between the crowd and the stage. They're not afraid to explore their music and try new things out, especially in front of a live audience. Golden Feather shows are full of dancing, sing alongs, and good vibes, something that has to be experienced for yourself to believe. Come watch the Feather Fly!

Hailing from Welland, Ontario, Sleepy Jean is the moniker/alter-ego of singer-songwriter Katey Gatta. Their debut EP, Idle Hands, amassed over 100,000 cumulative streams on a purely DIY release. Now armed with her backing band, the Deadstock Three (featuring members of TALK, Cat Clyde's Shitbats & alumni of Great Lake Swimmers, Jill Barber & Deep Dark Woods), Sleepy is set to release her debut full length effort, Shoot Me in a Dream, in July 2023.

Address: 700 Gilmore Road, Fort Erie, Ontario L2A 5M4

Ray Rosettani from RE/MAX Niagara remembers the great times he had for many years participating in the Corporate Challenge. He missed the times he could share with his staff, family, friends, and other local businesses. Ray and his Rosettani Real Estate Group wanted to bring this event back to life & in 2017 they did just that.

The event has run for many years now. We are excited to run the 2024 Fort Erie Team Challenge (Formerly known as the Fort Erie Corporate Challenge). The reason for the change in name is because we want everyone in our community to feel welcome to join in on this fun event that helps give back to our wonderful town, whether with a business or just with family & friends.

This year's event will take place on Sunday June 23rd, 2024 with a pre-party on June 22nd, 2024 with live entertainment by local band, WESTWIND.

We challenge you and your family, friends or company to put together a team of 6 to participate in 10 events, so me pre-events to earn bonus points and trying to come out on top!
